Article 5

The Board may delegate to any duly authorised director or officer of the Company or to any other duly authorised person the duty of accepting subscriptions and of delivering and receiving payment for such Shares, however always remaining within the limits imposed by law.

Such Shares may, as the Board shall determine, be of different sub-funds ("Sub-funds") (which may, as the Board shall determine, be denominated in different currencies) and the proceeds of the issue of the Shares of each Sub-fund (after the deduction of any initial charge and notional dealing costs which may be charged to them from time to time) shall be invested in accordance with the objectives set out in Article 3 hereof in securities or other permitted assets corresponding to such geographical areas, industrial sectors or monetary zones, or to such specific types of equity or debt securities, as the Board shall from time to time determine in respect of each Sub-fund.

Within each Sub-fund, Shares may be divided into several classes ("Classes") and/or categories ("Categories") which may differ, inter alia, in respect of their distribution policy or other special features, as the Board may decide to issue. In accordance with the above, the Board may decide to issue within the same Sub-fund or Class of Shares two Categories where one Category is represented by accumulation Shares ("Accumulation Shares") and the second Category is represented by distribution Shares ("Distribution Shares"). The Board may decide if and from what date Shares of any such Categories shall be offered for sale, those Shares to be issued on the terms and conditions as shall be decided by the Board.

For the purpose of determining the capital of the Company, the net assets attributable to each Sub-fund shall in the case of a Sub-fund not denominated in EUR, be notionally converted into EUR in accordance with Article 24 and the capital shall be the total of the net assets of all the Sub-funds.

The Company shall prepare consolidated accounts in EUR.

Article 6

Shares are issued in registered form only.

Shares shall be issued only upon acceptance of the subscription and subject to payment of the Dealing Price per Share as set forth in Article 23 hereof. The subscriber will, without undue delay, obtain delivery of a confirmation of his shareholding.

Payments of dividends, if any, will be made to Shareholders at their mandated addresses in the Register of Shareholders or to such other address as given to the Board in writing.

All issued Shares of the Company shall be inscribed in the Register of Shareholders, which shall be kept by the Company or by one or more persons designated therefor by the Company and such Register shall contain the name of each holder of Shares, his residence or elected domicile (and in the case of joint holders the first named joint holder's address only) so far as notified to the Company and the number of Shares and Sub-fund held by him. Every transfer of a Share shall be

entered in the Register of Shareholders upon payment of such customary fee as shall have been approved by the Board for registering any other document relating to or affecting the title to any Share.

Shares shall be free from any restriction on the right of transfer and from any lien in favour of the Company.

Transfer of Shares shall be effected by inscription of the transfer by the Company in the Register of Shareholders, upon delivery of the certificate or certificates, if any, representing such Shares, to the Company along with other instruments and preconditions of transfer satisfactory to the Company.

Every Shareholder must provide the Company with an address to which all notices and announcements from the Company may be sent. Such address will be entered in the Register of Shareholders. In the event of joint holders of Shares (the joint holding of Shares being limited to a maximum of four persons) only one address will be inserted and any notices will be sent to that address only.

In the event that such Shareholder does not provide such address, the Company may permit a notice to this effect to be entered in the Register of Shareholders and the Shareholder's address will be deemed to be at the registered office of the Company, or such other address as may be so entered by the Company from time to time, until another address shall be provided to the Company by such Shareholder. The Shareholder may, at any time, change his address as entered in the Register of Shareholders by means of a written notification to the Company at its registered office, or at such other address as may be set by the Company from time to time.

If payment made by any subscriber results in the issue of a fraction of a Share, such fraction shall be entered into the Register of Shareholders. Fractions of Shares shall not carry a vote but shall, to the extent the Company shall determine, be entitled to a corresponding fraction of the dividend.

RESTRICTIONS ON SHAREHOLDING

Article 7

The Board shall have power to impose such restrictions (other than any restrictions on transfer of Shares) as it may think necessary for the purpose of ensuring that no Shares in the Company or no Shares of any Sub-fund are acquired or held by or on behalf of (a) any person in breach of the law or requirements of any country or governmental or regulatory authority or (b) any person in circumstances which in the opinion of the Board might result in the Company incurring any liability to taxation, or suffering any other pecuniary disadvantage which the Company might not otherwise have incurred or suffered.

More specifically, the Board may restrict or prevent the ownership of Shares in the Company by any person, firm or corporate body, and without limitation, by any "U.S. Person", as defined from time to time by the Board in the Prospectus of the Company. For such purposes, the Company may:

- (a) decline to issue any Share where it appears to it that such issue would or might result in such Share being directly or beneficially owned by a person, who is precluded from holding Shares in the Company,
- (b) at any time require any person whose name is entered in the Register of Shareholders to furnish it with any information, supported by affidavit, which it may consider necessary for the purpose of determining whether or not beneficial ownership of such Shareholder's Shares rests in a person who is precluded from holding Shares in the Company, and
- (c) where it appears to the Company that any person, who is precluded from holding Shares in the Company, either alone or in conjunction with any other person is a

beneficial or registered owner of Shares, compulsorily redeem from any such Shareholder all Shares held by such Shareholder in the following manner:

- (1) the Company shall serve a notice (hereinafter called the "Redemption Notice") upon the Shareholder holding such Shares or appearing in the Register of Shareholders as the owner of the Shares to be redeemed, specifying the Shares to be redeemed as aforesaid, the price to be paid for such Shares, and the place at which the Redemption Price (as defined below) in respect of such Shares is payable. Any such Redemption Notice may be served upon such Shareholder by posting the same in a prepaid registered envelope addressed to such Shareholder at his last address known to or appearing in the Register of Shareholders. Immediately after the close of business on the date specified in the Redemption Notice, such Shareholder shall cease to be a Shareholder and the Shares previously held by him shall be cancelled. The said Shareholder shall thereupon forthwith be obliged to deliver to the Company the Share certificate or certificates (if issued) representing the Shares specified in the Redemption Notice;
 - (2) the price at which the Shares specified in any Redemption Notice shall be redeemed (herein called the "Redemption Price") shall be an amount equal to the Dealing Price of Shares in the Company of the relevant Sub-fund, determined in accordance with Article 20 hereof;
 - (3) payment of the Redemption Price will be made to the Shareholder appearing as the owner thereof in the currency of denomination of the relevant Sub-fund and will be deposited by the Company with a bank in Luxembourg or elsewhere (as specified in the Redemption Notice) for payment to such person but only, if a Share certificate shall have been issued, upon surrender of the Share certificate or certificates representing the Shares specified in such notice. Upon deposit of such price as aforesaid no person interested in the Shares specified in such Redemption Notice shall have any further interest in such Shares or any of them, or any claim against the Company or its assets in respect thereof, except the right of the Shareholder appearing as the owner thereof to receive the price so deposited (without interest) from such bank as aforesaid;
 - (4) the exercise by the Company of the powers conferred by this Article shall not be questioned or invalidated in any case, on the ground that there was insufficient evidence of ownership of Shares by any person or that the true ownership of any Shares was otherwise than appeared to the Company at the date of any Redemption Notice, provided that in such case the said powers were exercised by the Company in good faith; and
- (d) decline to accept the vote of any person who is precluded from holding Shares in the Company at any meeting of Shareholders of the Company.

REDEMPTION AND CONVERSION OF SHARES

Article 20

As is more specifically prescribed herein below the Company has the power to redeem its own Shares at any time within the sole limitations set forth by law.

Any Shareholder may request the redemption of all or part of his Shares by the Company provided that

- (i) the Company may, if compliance with such request would result in a holding of Shares in the Company of an aggregate amount or number of Shares as the Board may determine from time to time and disclosed in the prospectus, redeem all the remaining Shares held by such Shareholder; and
- (ii) the Company may, in the interest of the Shareholders, decide to defer all or some of the Share redemption requests received for a Sub-fund on a single day which represent more than a certain percentage of net assets or Shares of a Sub-fund determined by the Board (and as may be stated in the prospectus) until a Dealing Day such as all or certain investments of the Sub-fund have been sold. On such Dealing Day, such requests for redemptions will be complied with, with priority to later requests.

For the purpose of this article, conversions are considered as redemptions.

Whenever the Company shall redeem Shares, the price at which such Shares shall be redeemed by the Company shall be the Dealing Price per Share of the relevant Sub-fund (as determined in accordance with the provisions of Article 22 hereof) determined on the Dealing Day when or immediately after a written and irrevocable redemption request is received, less a redemption charge, as may be decided by the Board from time to time and described in the then current prospectus.

The redemption proceeds shall be paid normally within 3 business days (being a day on which the banks in Luxembourg are open for business) after the date on which the applicable Dealing Price was determined or, if later, on the date the written confirmation, or as the case may be, Share certificates (if issued) have been received by the Company. Any such request must be filed or confirmed by such Shareholder in written form at the registered office of the Company in Luxembourg or with any other person or entity appointed by the Company as its agent for redemption of Shares. Evidence of transfer or assignment accompanied by the certificate(s) (with redemption requests thereon), representing the shareholding, if issued in certificated form, must be received by the Company or its agent appointed for that purpose before the redemption monies may be paid. Shares in the capital of the Company redeemed by the Company shall be cancelled.

Any Shareholder may request conversion of the whole or part of his Shares of a given Class into Shares of the same Class of another Sub-fund, (or within one Sub-fund into another Category) based on a conversion formula as determined from time to time by the Board and disclosed in the current explanatory memorandum or prospectus of the Company provided that the Board may impose such restrictions as to, inter alia, frequency of conversion, and may make conversion subject to payment of such reasonable charge, as it shall determine and disclose in the current explanatory memorandum or prospectus. Conversions from Shares of one Class of a Sub-fund to Shares of another Class of either the same or a different Sub-fund are not permitted, except otherwise decided by the Board of Directors and disclosed in the prospectus.

If requests for redemption and conversion for any Dealing Day exceed 10% of the Net Asset Value or the number of Shares of a Sub-fund, the Company reserves the right to postpone redemption and conversion of all or part of such Shares to the following Dealing Day. On the following Dealing Day, such requests will be dealt with in priority to any subsequent requests for redemption and conversion.

VALUATIONS AND SUSPENSION OF VALUATIONS

Article 21

The Net Asset Value of Shares in the Company shall be determined as to the Shares of each Sub-fund by the Company from time to time, but in no instance less than twice monthly, as the Board by regulation may direct (every such day or time for determination thereof being a Dealing Day), but so that no day observed as a holiday by banks in Luxembourg shall be a Dealing Day.

During the existence of any state of affairs which, in the opinion of the directors, makes the determination of the Net Asset Value of a Sub-fund in the relevant currency of expression either not reasonably practical or prejudicial to the Shareholders of the Company, the Net Asset Value and the Subscription Price and Redemption Price may temporarily be determined in such other currency as the directors may determine.

The Company may suspend the determination of the Net Asset Value and the issue and redemption of Shares in any Sub-fund as well as the right to convert Shares of any Sub-fund into Shares of another Sub-fund during:

- (a) During any period when any market or stock exchange, which is the principal market or stock exchange on which a material part of the Company's investments of the relevant

Sub-Fund for the time being are quoted, is closed (otherwise than for ordinary holidays) or during which dealings are restricted or suspended; or

- (b) During the existence of any state of affairs which in the opinion of the Board of Directors constitutes an emergency, as a result of which disposals or valuation of assets attributable to investments of the relevant Sub-fund is impractical; or
- (c) During any breakdown in, or restriction in the use of, the means of communication normally employed in determining the prices of any of the investments attributable to such Sub-fund or the current prices or values on any market or stock exchange, or when, for any reason, the value of an investment of the Company cannot be determined as accurately and rapidly as required; or
- (d) During any period when remittance of monies which will or may be involved in the realisation of, or in the payment for, any of the Company's investments is not possible;
- (e) any period when the restrictions on currencies or cash transfers prevent the completion of transactions of the Company or when the purchases and sales on behalf of the Company cannot be achieved at normal exchange rates;
- (f) any period when factors related to, among others, the political, economic, military, monetary, and fiscal situation and escaping the control, the responsibility and the means of action of the Company prevent it from disposing of the assets of one or more Sub-funds or determining the net asset value of one or more Sub-funds of the Company in a usual and reasonable way;
- (g) In case of a decision to liquidate the Company or a Sub-fund thereof on or after the day of publication of the first notice convening the general meeting of the Shareholders for this purpose respectively the notice provided for in the Articles.
- (h) In case of a decision to merge the Company or a Sub-fund thereof provided that any such suspension is justified for the protection of the Shareholders.

Shareholders having requested redemption or conversion of their Shares shall be notified of any such suspension within seven days of their request and will be promptly notified of the termination of such suspension. Shares redeemed or converted after such suspension will be converted or redeemed based on their Net Asset Value on the Valuation Day immediately following such suspension.

The suspension as to any Sub-fund will have no effect on the calculation of Net Asset Value and the issue, redemption and conversion of the Shares of any other Sub-fund.

DETERMINATION OF NET ASSET VALUE

Article 22

The Net Asset Value of each Sub-fund shall be expressed in EUR or in the currency determined by the Board, as a per Share figure, and shall be determined in respect of each Valuation Day by dividing the net assets of the Company corresponding to the relevant Sub-fund, being the value of the assets of the Company corresponding to such Sub-fund less its liabilities attributable to such Sub-fund, by the number of outstanding Shares of the relevant Sub-fund.

The valuation of the Net Asset Value of each Sub-fund shall be made in the following manner:

- (1) The assets of the Company shall be deemed to include:
 - (i) all cash in hand or receivable or on deposit, including accrued interest;

- (ii) all bills and notes payable on demand and any amounts due (including the proceeds of securities sold but not yet collected);
- (iii) all securities, shares, bonds, debentures, options or subscriptions rights and any other investments and securities belonging to the Company;
- (iv) all dividends and distributions due to the Company in cash or in kind to the extent known to the Company provided that the Company may adjust the valuation for fluctuations in the market value of securities due to trading practices such as trading ex-dividend or ex-rights;
- (v) all accrued interest on any interest bearing securities held by the Company except to the extent the such interest is comprised in the principal thereof;
- (vi) the preliminary expenses of the Company insofar as the same have not been written off; and
- (vii) all other permitted assets of any kind and nature including prepaid expenses.

(2) The value of assets of the Company shall be determined as follows:

- (i) the value of any cash in hand or on deposit, discount notes, bills and demand notes and accounts receivable, prepaid expenses, cash dividends and interest declared or accrued as aforesaid and not yet received, shall be deemed to be the full amount thereof, unless in any case the same is unlikely to be paid or received in full, in which case the value thereof shall be arrived at after making such discount as the Board may consider appropriate in such case to reflect the true value thereof;
- (ii) the value of all portfolio securities which are listed on an official stock exchange or traded on any other regulated market will be valued at the last available price on the principal market on which such securities are traded, as furnished by a pricing service approved by the Board. If such prices are not representative of the fair value, such securities as well as all other permitted assets, including securities which are not listed on a stock exchange or traded on a regulated market, will be valued at a fair value at which it is expected that they may be resold, as determined in good faith by and under the direction of the Board;
- (iii) the swaps will be valued at the net present value of their cash flows.
- (iv) At its sole discretion, the Board may permit the use of another valuation method if it believes that it results in a fairer valuation of an asset held by the Company.

(3) The liabilities of the Company shall be deemed to include:

- (i) all borrowings, bills and other amounts due;
- (ii) all administrative expenses due or accrued including the costs of its constitution and registration with regulatory authorities, as well as legal, audit, management, custodial, paying agency and corporate and central administration agency fees and expenses, the costs of legal publications, prospectuses, financial reports and other documents made available to Shareholders, translation expenses and generally any other expenses arising from the administration of the Company;

- (iii) all known liabilities, due or not yet due including all matured contractual obligations for payments of money or property, including the amount of all dividends declared by the Company for which no coupons have been presented and which therefore remain unpaid until the day these dividends revert to the Company by prescription;
 - (iv) any appropriate amount set aside for taxes due on the date of the valuation and any other provisions of reserves authorised and approved by the Board; and
 - (v) any other liabilities of the Company of whatever kind towards third parties.
- (4) The Board shall establish a portfolio of assets for each Sub-fund in the following manner:
- (i) the proceeds from the allotment and issue of Shares of each Sub-fund shall be applied in the books of the Company to that Sub-fund and the assets and liabilities and income and expenditure attributable thereto shall be applied to such Sub-fund, subject to the provisions of the Articles.
 - (ii) where any asset is derived from another asset, such derivative asset shall be applied in the books of the Company to the same Sub-fund as the assets which it was derived and on each valuation of an asset, the increase or diminution in value shall be applied to the relevant Sub-fund;
 - (iii) where the Company incurs a liability which relates to any asset of a particular Sub-fund or to any action taken in connection with an asset of a particular Sub-fund, such liability shall be allocated to the relevant Sub-fund; the liabilities shall be segregated on a Sub-fund basis with third party creditors having recourse only to the assets of the Sub-fund concerned;
 - (iv) in the case where any asset or liability of the Company cannot be considered as being attributable to a particular Sub-fund, such asset or liability shall be allocated by the Board, after consultation with the auditors, in a way considered to be fair and reasonable having regard to all relevant circumstances;
 - (v) upon the record date for the determination of any dividend declared on any Sub-fund, the Net Asset Value of such Sub-fund shall be reduced by the amount of such dividend, but subject always to the provision relating to the calculation of the Dealing Price of the Distribution Shares and Accumulation Shares of each Sub-fund set out in the Articles.
- (5) For the purpose of valuation under this Article:
- (i) Shares of the relevant Sub-fund in respect of which the Board has issued a redemption notice or in respect of which a redemption request has been received, shall be treated as existing and taken into account until immediately after the close of business on the relevant Dealing Day, and from such time and until paid, the redemption price therefore shall be deemed to be a liability of the Company;
 - (ii) all investments, cash balances and other assets of any Sub-fund expressed in currencies other than the currency of denomination in which the Net Asset Value of the relevant Sub-fund is calculated, shall be valued after taking into account the market rate or rates of exchange in force at the date and time for determination of the Net Asset Value of Shares;

- (iii) effect shall be given on any Dealing Day to any purchases or sales of securities contracted for by the Company on such Dealing Day, to the extent practicable, and
- (iv) where the Board is of the view that any conversion or redemption which is to be effected will have the result of requiring significant sales of assets in order to provide the required liquidity, the value may, at the discretion of the Board be effected at the actual bid prices of the underlying assets and not the last available prices. Similarly, should any purchase or conversion of Shares result in a significant purchase of assets in the Company, the valuation may be done at the actual offer price of the underlying assets and not the last available price.

SUBSCRIPTION PRICE

Article 23

Whenever the Company shall offer Shares for subscription, the price per Share at which such Shares shall be offered and sold, shall be the Dealing Price as defined herebelow to which a Sales Charge as the Board may from time to time determine, and as shall be disclosed in the Company's then current prospectus, may be added. The Dealing Price shall be based on the Net Asset Value of the relevant Sub-fund divided by the number of Units, as adjusted for the number of Distribution Shares and Accumulation Shares of the relevant Sub-fund expected (in the light of information available at such time) to be in issue or deemed to be in issue at that time, rounded at a number of decimal as decided by the Board of directors.

The price so determined shall be payable within a period as determined by the Board which shall not exceed three business days after the date on which the applicable Dealing Price was determined.

FINANCIAL YEAR

Article 24

The accounting year of the Company shall begin on the 1st July of each year and shall terminate on the 30th June of the subsequent year.

The accounts of the Company shall be expressed in EUR or in respect of any Sub-fund, in such other currency or currencies as the Board may determine. Where there shall be different Sub-funds as provided for in Article 5 hereof, and if the accounts within such Sub-funds are maintained in different currencies, such accounts shall be converted into EUR and added together for the purpose of determination of the accounts of the Company. The annual accounts, including the balance sheet and profit and loss account, the directors' report and the notice of the annual general meeting will be communicated to the Shareholders upon request.

DISTRIBUTION OF INCOME

Article 25

The general meeting of Shareholders of each Sub-fund shall, upon the proposal of the Board in respect of each Sub-fund, subject to the other provisions of this article and to any interim dividends having been declared or paid, determine how the annual net investment income shall be disposed of in respect of the relevant Sub-fund.

Without prejudice of the rights and obligations of the General Meeting as provided by the law and the Articles, the Meeting of the Shareholders will decide, each year and for each Sub-fund authorized for distribution in Belgium, to distribute to the holders of distribution Shares, the whole

of the collected incomes, after deduction of the remunerations, commissions and expenses that proportionally relates to them.

Dividends may, in respect of any Sub-fund, include an allocation from a dividend equalisation account which may be maintained in respect of any such Sub-fund and which, in such event, will, in respect of such Sub-fund, be credited upon issue of Shares to such dividend equalisation account and upon redemption of Shares, the amount attributable to such Share will be debited to an accrued income account maintained in respect of such Sub-fund.

Interim dividends may, at the discretion of the Board, be declared subject to such further conditions as set forth by law, and be paid out on the Shares of any Sub-fund out of the income attributable to the portfolio of assets relating to such Sub-fund upon decision of the Board.

The dividends declared will normally be paid in the currency in which the relevant Sub-fund is expressed or in exceptional circumstances in such other currency as selected by the Board and may be paid at such places and times as may be determined by the Board. DISTRIBUTION UPON LIQUIDATION

Article 27 – Liquidation of the Company

The Company may at any time be dissolved by a resolution of the general meeting subject to the quorum and majority requirements referred to in Article 10 of the Articles.

In the event of a dissolution of the Company, liquidation shall be carried out by one or several liquidators (who may be physical persons or legal entities) named by the meeting of Shareholders effecting such dissolution and which shall determine their powers and their compensation. The liquidators shall realise the Company's assets in the best interest of the Shareholders and shall distribute the net proceeds of liquidation corresponding to each Sub-fund to the Shareholders of each Sub-fund in proportion of their holding of Shares in such Sub-fund. If the capital of the Company falls below two thirds of the minimum legal capital, the directors must submit the question of the dissolution of the Company to the general meeting for which no quorum shall be prescribed and which shall decide by simple majority of the Shares present or represented at the meeting. If the capital falls below one fourth of the minimum legal capital, no quorum shall be also prescribed but the dissolution may be resolved by Shareholders holding one fourth of the Shares presented at the meeting.

The meeting must be convened so that it is held within a period of forty days from ascertainment that the net assets have fallen below respectively two thirds or one fourth of the minimum capital.

Liquidation proceeds not claimed by the Shareholders will at the close of liquidation be deposited at the Caisse de Consignation in Luxembourg pursuant to the 2010 Law.

Article 28 – Liquidation of Sub-fund/Class

In the event that for any reason whatsoever, the value of the assets of a Sub-fund or Class should fall down to such an amount considered by the Board as the minimum level under which the Sub-

fund or the Class may no longer operate in an economic efficient way, or in the event that a significant change in economic or political situation impacting the relevant Sub-fund or Class should have negative consequences on the investments of the relevant Sub-fund or Class or when the range of products offered to clients is rationalized, the Board may redeem all (but not some) Shares of the Sub-fund or of the Class at a price reflecting the anticipated realisation and liquidation costs on closing of the relevant Sub-fund or Class, but with no redemption charge.

Termination of a Sub-fund or a Class by compulsory redemption of all relevant Shares for reasons other than those mentioned in the preceding paragraph, may be effected only upon its prior approval of the Shareholders of the Sub-fund or Class to be terminated, at a duly convened Sub-fund or Class meeting which may be validly held without a quorum and decide by a simple majority of the Shares present or represented.

Each Sub-fund may be liquidated separately without that separate liquidation resulting in the liquidation of another Sub-fund. Only the liquidation of the last remaining Sub-fund of the Company will result in the liquidation of the Company as referred to in Article 145 (1) of the 2010 Law. In this case and under penalty of nullity, the issue of Shares shall be prohibited except for the purposes of liquidation/merger.

Liquidation proceeds not claimed by the Shareholders at the close of the liquidation will be deposited at the Caisse de Consignation in Luxembourg pursuant to the 2010 Law.

MERGER OF THE COMPANY/SUB-FUNDS

Article 29 – Merger of the Company

The Board of the Company will be competent to decide on such a merger and on the effective date of such a merger in case the Company is the receiving UCITS.

The general meeting of Shareholders, deciding by simple majority of the votes cast by Shareholders present or represented at the meeting, shall be competent to decide on the merger and on the effective date of merger, in case the Company is the merging UCITS. The effective date of merger shall be recorded by notarial deed.

Notice of the merger shall be given to the Shareholders of the Company. Each Shareholder shall be given the possibility, within a period of one month as of the date of the publication, to request either the repurchase of its Shares, free of any charges, or the conversion of its Shares, free of any charges.

Article 30 – Merger of Sub-fund(s):

Any Sub-Fund may, subject to the conditions set out in the 2010 Law, be merged with a foreign and / or a Luxembourg fund or sub-fund of a foreign fund and / or Luxembourg fund as defined in the 2010 Law, in accordance with the definitions and conditions set out in the 2010 Law. The Board of Directors of the Company will be competent to decide on such a merger as well as on the effective date of such a merger. In addition, any Sub-fund may, either as a merging Sub-fund or as a receiving Sub-fund, be merged with another Sub-fund of the Company in accordance with the definitions and conditions set out in the 2010 Law.

Insofar as the effective date of the merger requires the approval of the Shareholders concerned by the merger pursuant to the provisions of the 2010 Law, the general meeting of Shareholders deciding by simple majority of the votes cast by Shareholders present or represented at the meeting, is competent to approve such an effective date of the merger. No quorum requirement will be applicable.

In all cases, notice of the merger will be given to the Shareholders. When the approval of Shareholders is required each Shareholder of the relevant Sub-funds or Classes shall be given the

possibility, within a period of one month as of the date of the sending, to request either the repurchase of its Shares, free of any charges, or the conversion of its Shares, free of any charges.
